LNBW REMEMBERS RUSSELL MOQUIN

 BRIAN D. WATTERS

JULY 24, 2017

FREDERICTON, NEW BRUNSWICK

The Lutte NB Wrestling community is saddened by the recent passing of Russell Moquin, a former athlete, and coach in Oromocto. Russell will certainly be remembered fondly and missed by the wrestling community who were enriched by his career.

Russell was an accomplished athlete, as he captured a Canadian Championship in 1998. He was also named Outstanding Wrestler of the 1998 Canadian Championships and contributed to his club team, the Black Bears Wrestling Club, winning their first Canadian Team Title in 1999. Russell then went on to serve our country in the Canadian Forces. In recent years, Russell coached at the middle and high school level in New Brunswick with Oromocto High School, and Ridgeview and Harold Peterson Middle Schools.

"Russell will be remembered for his competitiveness on the wrestling mat and his sense of humour in life," said LNBW President, Chris Falconer. "Our thoughts are with Russell's family, friends and the larger wrestling community."
